**Monday 5 December 2011**

**10:00a.m. – 1p.m.**

**Conference Room E, North Lawn Building  
UN Headquarters, New York**

*“Political leaders seem to have forgotten that health care, education, housing, and the fair administration of justice are not commodities for sale to the few, but rather rights to which all are entitled without discrimination. Anything we do in the name of economic policy or development should be designed to advance these rights and, at the very least, should do nothing to undermine their realization.” -- Navi Pillay, High Commissioner for Human Rights*
